Why are we asking you these questions ?

To apply for a Student Visa to come to the UK, you must have a CAS – Confirmation of Acceptance for Studies – from a Student Visa Sponsor such as South Thames College London.

The Sponsor is required to confirm to the UK Border Agency (UKBA) that a student who it gives a CAS to:

1. is able to successfully complete the study programme
2. intends to come to the UK mainly for the purpose of taking this study programme

To confirm this, we need to know more about you than just the “academic information” on our application form.
