

Counter Terrorism Awareness

One day course

Continuous professional development for the Security sector

Our trainers have over 20 years combined expertise within security sector and deliver a variety of other professional development and nationally recognised qualifications to suit your business.

Our flexibility means that we can deliver this training on your premises, saving you employee downtime and travelling costs.

Delivery Style

This 1 day workshop is delivered through theory and practical sessions with delegate interaction.

As part of the course we offer appropriate individual information, advice and guidance to candidates.

Modules Covered:

- Learners are led through a discussion on the current terrorist threat in the UK
- Threat levels - What they are?
- How they are decided and by whom?
- An introduction to the United Kingdom Counter - Terrorism Strategy (CONTEST) and the four Ps – Pursue, Prevent, Protect and prepare
- How might the terrorist pose a threat?
- How to respond to a bomb threat?
- Actions with suspicious articles
- How to respond to an IED or VBIED
- Search regime and who does it?
- Secondary devices - evacuation and cordon areas
- Vigilance and Reporting
- Working with the police
- Hostile Reconnaissance
- Dirty bombs – what they are and how to deal with them
- CBRN – Raise and broaden the security officer's awareness of the term CBRN

Certification

Delegates will receive a South Thames College Civil Enforcement Academy certificate of attendance.

Progression

Other one day workshops include Welcome All, Welcome Host and Welcome Line – Welcome to Excellence courses that provide your staff with the tools to provide first-class customer service. If candidates choose to progress onto Customer Service Level 2 or 3, the Welcome to Excellence courses count towards the award as Accreditation of Prior Experiential Learning (APEL).

We offer a variety of other courses that candidates may wish to undertake, such as Level 2 or 3 Business Administration (as well as the Level 3 Award in Notice Processing) and Level 2 Team Leading and Level 3 Management.

Level 2 in Providing Security Services

Many candidates may wish to progress onto this course, which offers job-specific training pathways. The three pathways are:

- CCTV Operation Pathway
- Door Supervision Pathway
- Static and Patrol Guarding Pathway

Our dedicated team of Account Managers will be happy to discuss any of the qualifications we can offer you and your team.
