fees

Full Cost Courses ☒

Some courses, marked ☒, show only one fee – there are no concessions on these courses and the full fee must be paid when you enrol.

Discounts on Fees

For other courses you will notice three different fees stated:

eg. Fee: £108/£76/£37

The fee you pay is dependent on your status:

Fee 1: This is the standard fee paid by most people.

Fee 2: You pay this fee if you are 60+ years of age*.

Fee 3: You pay this fee if you are on an income based benefit* – usually £37 per course per term.

There is NO College Registration Fee, but you may have to pay for additional course materials.

***You must be able to produce proof of age and/or current (within the last two months) evidence of any benefits when you enrol. NB: Those on Jobseekers' Allowance please note that a signing-on book alone is not sufficient proof of entitlement.**

International Students

For courses that do NOT lead to a qualification, International Students pay the standard fee (Fee 1), but concessionary fees (Fee 2 and Fee 3) are available if eligible.

For all other courses please call: 020 8918 7777 for advice or check our website: www.south-thames.ac.uk/international.

Materials Costs

You may be required to pay for additional materials for your course. This is usually under £20. However, in some specialist areas, such as Art & Design and Hair & Beauty, materials may be more costly. Life Drawing courses have an additional charge for the model.

Payment Methods

All costs must be paid in full at the time of enrolment. We accept cash, cheques (made payable to South Thames College Corporation), credit and debit cards including Visa, Mastercard, Solo and Switch. We do not accept American Express or Electron.

Refunds

The College does not normally give refunds. The College reserves the right to close a course if it fails to recruit or retain sufficient numbers of students. However, if there is no alternative course available, a full refund will be made if the College cancels a course before it starts, or within the first two weeks. If more than two classes have taken place when the class is closed, a pro-rata refund will be made for the balance of the fees paid. If the amount of the refund due is £15 or less, a credit note will be issued. For those who have only paid the £37 concession fee, pro rata refunds do not apply.

All valid claims will be processed within 28 days.

Courses Leading to Qualifications *

support

At South Thames College we are committed to removing as many barriers to access and learning as possible, so that you can reach your true potential on your chosen course.

What kind of support may be offered to you by the Learner Support Team?

A member of the Learner Support Team will meet with you to assess your requirements. Depending upon the results of your assessment, you may then be offered support for:

Learning Difficulties, Physical Disabilities, Medical Conditions, Mental Health Issues, Deafness or Partial Hearing, Blind or Partial Sight.

To discuss your support requirements or get more details of the support we offer, please call the Learner Support Liaison Officer on 020 8918 7486 or the Learning Support Co-ordinator, voice and text, 020 8918 7394. Or for further details ask for our Disability Statement – Support for Your Success.

South Thames College welcomes people with disabilities, learning difficulties and medical conditions. Our commitment to removing barriers to access and learning is outlined in our Single Equality Scheme and Action Plan. If you would like a copy or if you would like to discuss or contribute towards the scheme, please contact Gail Walmsley, Head of Learner Support on 020 8918 7777 (voice), 020 8918 7372 (text-phone).

While the College makes every reasonable effort to accommodate learners' needs, the funding available to the College to support learners on leisure and personal development courses is very limited and unfortunately we cannot guarantee that support will be available for all applicants.
