Code of conduct for Governors

1. INTRODUCTION

- 1.1 This Code is intended as a guide, to indicate the standards of conduct and accountability which are expected of Governors, to enable them to understand their legal and ethical duties and to assist them both in carrying out those duties and in their relationship with the Corporation and Group Principal as the Chief Executive. This Code is therefore aimed at promoting effective, well informed and accountable college governance. It is not intended to be a definitive or authoritative statement of the law or good practice.
- 1.2 In addition to this Code, Governors are recommended to familiarise themselves with the source documents listed in **Schedule 1**.
- 1.3 If a Governor is in doubt about the provisions of this Code or any of the source documents, the Head of Governance should be consulted and, if necessary, professional advice should be obtained. Ultimate responsibility for the appropriateness of conduct as a Governor of the College and for any act or omission in that capacity however rests with the individual Governor.
- 1.4 This Code applies to every committee or working party of the Corporation and to every subsidiary company or joint venture of the College to which Governors may be appointed.
- 1.5 By accepting appointment to the Corporation, each Governor agrees to abide by the provisions of this Code.
- 1.6 Each Governor by accepting the provisions of this Code agrees that any breach of the Code by them may lead to the termination of their appointment as a Member in accordance with clause 9 of the Corporation's Instrument of Government.

- 2.2 All other definitions have the same meanings as given in the College's Instrument and Articles of Government and words importing one gender import any gender.

3. AIMS AND VALUES

- 3.1 The Group's Mission 'Talented Together' is to ensure all our students and partners succeed and progress, making their prospects better.

- 3.2 The Group's Mission, together with the corporate objectives of the College agreed by the Corporation from time to time, seek to encapsulate the core purposes and aims of the College. Governors, should have due regard to these purposes and aims when conducting the business of the Corporation and

considering the activities and proposed activities of the College.

- 3.3 The Corporation recognises its obligations to all those with whom it and/or the College have dealings, including students, employees, suppliers, other educational institutions and the wider community. In particular, the Corporation is committed to:
- 3.4 having close regard to the voice of the learner;
- 3.5 combating any discrimination within the College on the grounds of the characteristics protected by the Equality Act 2010 (“the 2010 Act”) and promoting equality in accordance with its duty under the 2010 Act;
- 3.6 engaging with the community which the College serves in order to understand and meet its needs in accordance with the College’s community/local engagement policy; and
- 3.7 observing its duty under the Education (No.2) Act 1986 to take reasonable steps to ensure freedom of speech² for members of the College community and visiting speakers and its duty under the Counter Terrorism and Security Act 2015 to have regard to the need, when exercising its functions, to prevent people from being drawn into terrorism³.
- 3.8 The Corporation is also committed to ensuring that it conducts its business in accordance with the highest ethical standards as set out in more detail in this Code.

4. DUTIES

- 4.1 Governors are in the position of charity trustees and as such owe a fiduciary duty to the College. This means that they should show it the highest loyalty and act in good faith in its best interests. Each Governor should act honestly, diligently and (subject to the provisions appearing in clause 10 of this Code relating to collective responsibility) independently. The actions of Governors should promote and protect the good reputation of the College and the trust and confidence of those with whom it deals.
- 4.2 Decisions taken by Governors at meetings of the Corporation and its committees must not be for any improper purpose or personal motive. Decisions taken must always be for the benefit of the College, its students and staff and other users of the College and must be taken with a view to safeguarding public funds. Accordingly, Governors must not be bound in their speaking and voting by mandates

given to them by other bodies or persons (including the bodies that elected them).

- 4.3 Governors must observe the provisions of the College’s Instrument and Articles of Government and in particular the duty to give immediate notice to the Head of Governance should they become disqualified from continuing to hold office and also the responsibilities given to the Corporation by the College’s Articles of Government. Those responsibilities, including a list of “reserved” responsibilities which are so important that they must not be delegated, are set out in Schedule 4.
- 4.4 Governors should comply with the Standing Orders and Terms of Reference of the Corporation and its committees to ensure that the Corporation conducts itself in an orderly, fair, open and transparent manner. Governors must keep those Standing Orders and Terms of Reference under periodic review.
- 4.5 Governors should also have regard to the different, but complementary, responsibilities given to the Group Principal as the College’s Chief Executive. The responsibilities given to the Group Principal by the College’s Articles of Government are set out in Schedule 4. Whereas it is the Corporation’s function to decide strategic policy and overall direction and to monitor the performance of the Group Principal and any other senior post holders, it is the Group Principal’s role to implement the Corporation’s decisions, and to manage the College’s affairs within the budgets and framework fixed by the Corporation. Governors should work together so that the Corporation and the Group Principal as Chief Executive perform their respective roles effectively.

- 4.6 Governors should refer to the Head of Governance for advice relating to the governance functions which are set out in **Schedule 4** and have regard to the Head of Governance’s independent advisory role.

5. STATUTORY ACCOUNTABILITY

- 5.1 Governors are collectively responsible for observing the duties set out in the Conditions of Funding Agreement which the College has entered into with the ESFA as a condition of receiving public funds. A brief summary of the ESFA’s funding framework is set out in **Schedule 5**.
- 5.2 Although the ESFA is the main provider of funds to the College, Governors should note that they are also responsible for the proper use of income derived from other sources, such as the Office for Students (OfS) and the European Union (EU) and for the control and monitoring of expenditure of such

² On freedom of speech see the College’s Freedom of Speech Policy.

³ On the Prevent duty see the Home Office guidance on compliance with the duty in s.26 of the 2015 act: <https://www.gov.uk/government/publications/prevent-duty-guidance>

income, in order to meet the requirements of the relevant funding body and public audit. Where funding is received directly from OfS the College will have a funding agreement with OfS, as set out in the OfS's terms and conditions of funding for Further Education and Sixth Form Colleges, which sets out the basis on which such funding is provided. Where OfS funding is received indirectly via a collaboration with an OfS funded institution such funding will be subject to obligations contained in the memorandum of co-operation between the College and that institution.

- 5.3 As accounting officer for the ESFA, its Chief Executive is directly responsible and accountable to Parliament for ensuring that the uses to which the ESFA puts its funds are consistent with the purposes for which the funds were given and comply with the conditions attached to them. The Group Principal, as accounting officer for the College, is also directly responsible and accountable to Parliament, through the Committee of Public Accounts, for the effective stewardship by the College of public funds. The Group Principal may be required to appear before the Committee of Public Accounts, alongside the ESFA's Chief Executive, to give an account of the use made by the College of such funds. The Corporation is accountable to Parliament for ensuring the financial health of the College, and to the Courts for ensuring that the College is conducted in accordance with the Education Acts and the general law.

6. PUBLIC SERVICE VALUES

- 6.1 Although Further Education Corporations are classified as part of the private not for profit sector for government accounting purposes, they remain public bodies in many legal contexts. In particular, public service values are at the heart of the further education service. High standards of personal and corporate conduct, based on the principles set out in **Schedule 2**, and the recognition that students and other users of the College's services come first, are a requirement of being a governor and should underpin all decisions taken by the Corporation.

7. SKILL, CARE AND DILIGENCE

- 7.1 A Governor should in all his or her work for the College exercise such skill as he or she possesses and such care and diligence as would be expected from a reasonable person in the circumstances. This will be particularly relevant when Governors act as agents of the College, for example, when functions are delegated to a committee of the Corporation or to the Chair. Governors should be careful to act within the Terms of Reference of any committees on which they serve.

8. POWERS

- 8.1 Governors are responsible for taking decisions which are within the powers given to the Corporation by Parliament under sections 18 and 19 of the Further and Higher Education Act 1992, as amended. A summary of those powers is set out in **Schedule 6**. If a Governor thinks that the Corporation is likely to exceed its powers by taking a particular decision, he or she should immediately refer the matter to the Head of Governance for advice.

9. CONFLICTS OF INTEREST

- 9.1 Like other persons who owe a fiduciary duty, Governors should seek to avoid putting themselves in a position where there is a conflict (actual or potential) between their personal interests and their duties to the Corporation. They should not allow any conflict of interest to arise which might interfere with the exercise of their independent judgment.
- 9.2 Governors are reminded that under the College's Instrument of Government and its policy on Conflicts of Interest and the general law they must disclose to the Corporation any direct or indirect financial interest they have, or may have, in the supply of work to the College or the supply of goods for the purposes of the College, or in any contract or proposed contract concerning the College, or in any other matter relating to the College or any other interest of a type specified by the Corporation in any matter relating to the College, or any duty which is material and which conflicts or may conflict with the interests of the Corporation.
- 9.3 If an interest of any kind (including an interest of a spouse, partner or business associate of a Governors or of a close relative of the Governor or his or her spouse, partner or business associate) is likely or would, if publicly known, be perceived as being likely to interfere with the exercise of a Governor's independent judgment, then:
- 9.3.1 the interest, financial or otherwise, should be reported to the Head of Governance ;
- 9.3.2 the nature and extent of the interest should be fully disclosed to the Corporation before the matter giving rise to the interest is considered.
- 9.4 If the Governor concerned is present at a meeting of the Corporation, or any of its committees, at which such supply, contract or other matter constituting the interest is to be considered, he or she should:
- 9.4.1 not take part in the consideration or vote on any question with respect to it and shall not be counted in the quorum for that meeting; and

9.4.2 withdraw from that Corporation or committee meeting where required to do so by a majority of the Governors or committee present at the meeting.

9.5 For the purposes of clause 9.3 “close relative” includes but is not limited to a father, mother, brother, sister, child, grandchild and step-father/mother/brother/sister/child.

9.6 Where it is proposed that the Corporation should grant a Governor a financial interest (such as a contract for the supply of goods or services) the Corporation must observe the requirements of the Charities Act 2011. The Corporation may wish to take legal advice before granting such an interest to a Governor.

9.7 Governors must not receive gifts, hospitality or benefits of any kind from a third party which might be in breach of the Bribery Act 2010 and the College’s anti-bribery policy [and the College’s policy on receiving gifts] or be seen to compromise their personal judgement or integrity. Any offer or receipt of such gifts, hospitality or benefits should immediately be reported to the Head of Governance.

9.8 The Head of Governance will maintain a Register of Governors’ Interests which will be open for public inspection. Governors must disclose routinely to the Corporation all business interests, financial or otherwise, which they or persons associated with them may have, and the Head of Governance will enter such interests on the Register. Governors must give sufficient details to allow the nature of the interests to be understood by enquirers. Governors should inform the Head of Governance whenever their circumstances change and interests are acquired or lost. In deciding whether an interest should be disclosed, Governors should have regard to the meaning given to “interest” in clauses 9.3 and 9.4 of this Code.

10. **COLLECTIVE RESPONSIBILITY**

10.1 The Corporation operates by Governors taking majority decisions in a corporate manner at quorate meetings, including meetings held by telephone or video-conference and by alternative methods such as written resolutions, in all cases only if so provided for in the Instrument and Articles. Therefore, a decision of the Corporation, even when it is not unanimous, is a decision taken by the Governors collectively and each individual Governor has a duty to stand by it, whether or not he or she was present at the meeting of the Corporation when the decision was taken.

10.2 If a Governor disagrees with a decision taken by the Corporation, his or her first duty is to have any disagreement discussed and minuted. If the

Governor strongly disagrees, he or she should consult the Chair and, if necessary, then raise the matter with the Corporation when it next meets. If no meeting is scheduled, the Governor should refer to the power of the Chair or of any five Governors under the College’s Instrument of Government to call a special meeting and, if appropriate, exercise it, requesting the Head of Governance to circulate the Governor’s views in advance to the other Governors. Alternatively, as a final resort, the Governor may decide to offer his or her resignation from office, after consulting the Chair.

11. **OPENNESS AND CONFIDENTIALITY**

11.1 Because of the Corporation’s public accountability and the importance of conducting its business openly and transparently, Governors should ensure that, as a general principle, students and staff of the College have free access to information about the proceedings of the Corporation. Accordingly, agendas, minutes and other papers relating to meetings of the Corporation are normally available for public inspection when they have been approved for publication by the Chair.

11.2 There will be occasions when the record of discussions and decisions will not be made available for public inspection; e.g., when the Corporation considers sensitive issues or named individuals and for other good reasons. Such excluded items will be kept in a confidential folder by the Head of Governance, and will be circulated in confidence to Governors save for those Governors who have a conflicting interest in the particular sensitive matter. Some confidential items are likely to be of a sensitive nature for a certain period of time only (for example information relating to a proposed commercial transaction or collaboration with another institution). The Corporation should specify how long such items should be treated as confidential or, if this is not possible, such items should be regularly reviewed to consider whether the confidential status should be removed or whether the public interest in disclosure outweighs that confidential status and the item made available for public inspection. The Governors must also consider the personal data that is contained within the excluded items in accordance with the Corporation’s obligations under the General Data Protection Regulation 2016 and the Data Protection Act 2018 (“Data Protection Laws”) and whether or not disclosure of that personal data would be in breach of the Data Protection Laws or the rights and freedoms of the individual(s) in question. When considering such issues the Governors must also consider the College’s publication scheme issued under the Freedom of Information Act 2000 and Environmental Information Regulations 2004. Nothing in this section overrides the College’s obligation to disclose

in response to a request received under these information law regimes (unless an appropriate exemption applies in each case).

11.3 Staff and student Governors have, however, no right of access to minutes dealing with matters in respect of which they are required to withdraw from meetings under the College’s Instrument of Government.

11.4 It is important that the Corporation and its committees have full and frank discussions in order to take decisions collectively. To do so, there must be trust between Governors with a shared corporate responsibility for decisions. Governors should keep confidential any matter which, by reason of its nature, the Chair or members of any committee of the Corporation are satisfied should be dealt with on a confidential basis.

11.5 Governors should not make statements to the press or media or at any public meeting relating to the proceedings of the Corporation or its committees without first having obtained the approval of the Chair or, in his or her absence, the Vice Chair. It is unethical for Governors publicly to criticise, canvass or reveal the views of other Governors which have been expressed at meetings of the Corporation or its committees.

12. COMPLAINTS

12.1 In order to ensure that the affairs of the College are conducted in an open and transparent manner and that the College is accountable for its use of public funds but also to its employees, its students and the community it serves, it is important for there to be appropriate complaints procedures in place and for these to be well publicised. Governors are reminded of their specific responsibility under the Articles of Government to make rules specifying the procedures in accordance with which employees may seek redress of any grievances relating to their employment, of the importance of having formal complaints procedures in place to handle issues raised by students, former students and third parties and of the legal requirement to have a whistle blowing procedure in place.

12.2 Under the ESFA’s Conditions of Funding Agreement with colleges (clause 15.3), students, employers and other third parties have a right to make a complaint to the ESFA in respect of the College or of any of its decisions, and this right is referred to in the College’s relevant Complaints Policy. Copies of these procedures can be obtained from the Head of Governance. Governors in particular are reminded that under the ESFA’s procedure for dealing with complaints about post 16 education and training

provision funded by the ESFA (November 2018)⁴ the ESFA can investigate complaints about:

- 12.2.1 quality, management or experience of education and training;
- 12.2.2 undue delay or non-compliance with published complaints procedures;
- 12.2.3 poor administration;
- 12.2.4 the quality of assessments;
- 12.2.5 equality and diversity issues (except where there is a more appropriate mechanism for dealing with the matter through the courts or tribunals or other organisations);
- 12.2.6 advanced learner loans;
- 12.2.7 apprenticeship providers from employers; and
- 12.2.8 from employers, parents or other third parties on behalf of apprentice(s).

12.3 The ESFA will not investigate complaints about:

- 12.3.1 issues that are more than 12 months old (except for exceptional cases related to advanced learner loans);
- 12.3.2 examination results, grades, marks, assessment outcomes or curriculum content;
- 12.3.3 individual employment issues;
- 12.3.4 governor or other voluntary employment issues;
- 12.3.5 contractual or commercial disputes or arrangements;
- 12.3.6 disputes between an employer and a provider in relation to the apprenticeship levy;
- 12.3.7 matters which are the subject of legal action or matters that are better investigated by the police;
- 12.3.8 the cancellation or reimbursement of advanced learner loans (which should be referred to the student loan company);
- 12.3.9 claims for compensation, a refund of fees or costs incurred when a learner has to transfer to another provider;
- 12.3.10 issues classified as serial; or

⁴ <https://www.gov.uk/government/publications/complaints-about-post-16-education-and-training-provision-funded-by-esfa>

12.3.11 allegations of fraud, financial irregularity, whistleblowing and allegations of incentives and inducements (which should be directed to the allegations team); and

12.3.12 safeguarding concerns⁵.

12.4 Complaints made by learners following HE courses in FE colleges are directed to the Office of the Independent Adjudicator for HE.

13. **ATTENDANCE AT MEETINGS**

13.1 A high level of attendance at meetings of the Corporation is expected so that Governors can perform their functions properly. The target attendance level is therefore set at a minimum of 80% with an expectation of 100%.

14. **GOVERNANCE DEVELOPMENT**

14.1 The Corporation shall seek to ensure that all Governors are appointed on merit, in accordance with an open selection procedure carried out by the

Corporation's Search Committee, and are drawn widely from the community which the College serves so as to be representative of that community. The Corporation should have regard to the provisions relating to the membership of the Corporation in the College's Instrument of Government, the need to combat discrimination and to promote equality, and the need to make available a range of necessary skills and experience to ensure that the Corporation carries out its functions under the College's Articles of Government.

14.2 Governors must obtain a thorough grounding in their duties and responsibilities by participating in the College's governance induction and training programmes, including regular refresher workshops.

14.3 In order to promote more effective governance, Governors will carry out an annual review of the performance by the Corporation of its duties and responsibilities, [including a review of their own performance] as part of a continuing and critical process of self-evaluation.

⁵ These will be passed onto the appropriate team within ESFA who will contact the college. ESFA may also contact other organisations, e.g. Ofsted and local authorities

⁸ The position is as set out in the 2008 Instrument and Articles. Corporations are free to amend these within the parameters set by the revised Schedule 4 Further and Higher Education Act 1992 as inserted by the Education Act 2011. Responsibilities which must be retained by the corporation under the revised Schedule 4 are shown with a double asterisk. The list that follows summarises the effect of Articles 3,9,10 and 19.

⁹ "Senior Post" means the post of Principal and such other senior posts if any as the Corporation Members may designate for the purposes of the Articles. Under the revised Schedule 4 FHEA it is open to corporations not to designate any posts as senior ones.

It is, however, suggested that the list in the 2008 Articles remain appropriate. Legal advice should be obtained if any change to the list is being considered.

Schedule 5
